

PHC Prayer Requests – Jan 20 to Feb 3 2025

L had an ectopic pregnancy and is recovering while caring for young children. Please pray for her healing.

M's daughter has tests coming up at Grandview that M is anxious about. She is thankful we are praying for her and her family.

We are thankful for all the donations that pour in on a regular basis!

We need size 4 diapers (oshawa site)

Praise report: We had a young woman who came in Friday, January 10th thinking we were an abortion clinic. Our volunteer had an opportunity to speak with her. Monday, Jan 27th, she came back to speak to the volunteer to let her know that she will be keeping the baby!!

K- who was pregnant with twin girls came in and let us know that one of the twin girls passed away. Pray for comfort and strength for this mom.

S and G both recently laid off and concerned about paying for mortgage

Pray for K's health

The BOLD program as we start to book in classes for the Spring semester

S-transgender male came in, she is 8 weeks pregnant. She is very excited and wants our help teaching her about pregnancy and baby care. She told us she will come in on a weekly basis for support. Pray that we can love on her and shine God's light in her life.
