

PHC Prayer Requests – Jan 19 to Feb 2, 2026

R-New client. has a 3 month old baby, husband fell and had a brain bleed in hospital since October. Has not met his daughter. Mom is now really struggling emotionally and financially. The baby also has been hospitalized and has an enlarged liver.

L-struggling to make ends meet, she is so thankful for our help, she doesn't know what she would do without our services.

S is healing after losing her baby. She is so thankful for our support and feels like our volunteers are like sisters to her.

M is in need of a job to keep her status in Canada and there is a time crunch.

N starts back to work in February and is still in need of a daycare for her child.

H is due in a week and very tired.

Continued prayer for N, who lost her brother in a car accident over Christmas, has reached out to our volunteers with questions about our faith and after life

M needs a job to support his family. He came in to register for the first time and was very emotional about not being able to support his family. They are behind on their rent and other bills.

Y's newborn baby passed away unexpectedly. She is grieving.

Pray for the 2 Wonderfully Made presentation that will be presented in February

Pray for our staff and volunteer as they speak to callers looking for abortions...pray for grace and opportunity and wisdom.

Pray for our BOLD program as we start booking in presentations

We need size 4 and 5 diapers in Ajax

Oshawa in need of formula both ready to feed and powdered
