Good morning, Faithful Pray-ers.

It is a chilly morning, some of our clients were complaining already! Winter is coming. We are prepping for the dinner on November 6th. The RSVPs are closed as of Friday October 31 so if you are planning to attend and you haven't let us know yet, this is your reminder. We are looking forward to a great night together with old and new friends, including our speaker, Laura Klassen from CHOICE42.

S is struggling with substance abuse and looking for support. She indicated she was pregnant but her test came back negative. Pray for wisdom as she accesses our services - we want to be available for the hurting.

Pray for D as she struggles with fatigue and no answers to the origin. She's looking into things medically, but no answers yet. Pray for strength to return to her body and grace as she copes with feeling poorly.

M is missing her son. She fled her country and is here with her newborn and cannot return home as it is not safe for her to do so.

Pray for A as her heart surgery is pending. Please pray for a successful surgery and a fast recovery. Pray for all the hands caring for her- in her present and future homes.

Pray for the BOLD program and for the high school students we connect with. October and November are busy months.

Our volunteers as they minister to our clients. For strength and energy as our days can be very busy and it can be overwhelming. '

B is expecting a new baby and very anxious.

J is from the U.S and is living in a women's shelter. J is wanting to move back to the U.S with her family but the baby's father is making it really difficult.

Thankful for S, who had her first child and is thrilled with her baby girl. S quietly asked us for a Bible! Pray that God will continue to draw S to Himself. We are so grateful for the opportunity to love on this situation.
